10 Most Recent Reviews of Chinois Asian Bistro

Yelp.com Review - by Jo D.

5.0 of 5 stars.) Chinois is right in my neighborhood, and I could afford to dine out every night of the week, this is where I would be. I crave Pan Pacific type foods, and this is what Chinois delivers. Just the right...

Yelp.com Review - by Elisa S.

3.0 of 5 stars.) The food was good and presented nicely. The staff was attentive, nice and very good with information. I would have to say 3 1/2 stars. The cocktails are made from sake, and they are pretty good...

Yelp.com Review - by Anonymous D.

4.0 of 5 stars.) This is a wonderful restaurant; the dim sum sampler is really good -- the won-ton soup is out-of-this-world good, quite unlike any other won-ton soup that I've ever had; what a great combination of...

Yelp.com Review - by brooke h.

3.0 of 5 stars.) Good food but not exceptional and a too pricey for what it is. I really like the wine list so I'll probably go here again for an appetizer and some nice white wine.
